5,000+	Required	Required	Required	Required	Required

- This guide is intended to assist with understanding the obligations set out in [San Francisco's Safer Together Health Order](#). In the event of any inconsistency between this chart and the Health Order, the Order prevails.
- [Proof of Vaccination](#) is defined in the Health Order as two weeks after completing the entire recommended series of vaccination (usually one or two doses) with a vaccine authorized to prevent COVID-19 by the FDA, including by way of an emergency use authorization, or by the World Health Organization (WHO). Links to approved vaccines can be found in the Health Order.
- Exemptions to the vaccination requirement may be made for client & vendor staff based on religious beliefs or medical exemptions. Exemptions must be noted in the Health & Safety Plan. More information on exemptions may be found [here](#).
- FAQs regarding the Safer Together Order can be found [here](#). If you have further questions please direct them to your Event Manager and we will get them answered.
- The [Health & Safety Plan](#) must be submitted 10-days before your first move-in day. Please submit to your Event Manager and they will send to the City of San Francisco Department of Health.
