*Additional security positions may be needed for specific event crowd movements, assets, and general safety. Suggested posts will be discussed during the planning of events. All security staffing and emergency plans must be reviewed and approved by building security, at least 30-days prior to the first contracted day. A security specific site visit can be arranged for your contracted security management staff. For assistance please feel free to contact Ronnie Lee at rlee@moscone.com or 415-974-4093.
